contemporary indian short stories A short story is a piece of prose fiction that typically can be read in one sitting and focuses on a self-contained incident or series of linked incidents, with the intent of evoking a "single effect" or mood, however there are many exceptions to this. A dictionary definition is "an invented prose narrative shorter than a novel usually dealing with a few characters and aiming at unity of ...

contemporary indian short stories Contemporary history, in English-language historiography, is a subset of modern history which describes the historical period from approximately 1945 to the present. The term "contemporary history" has been in use at least since the early 19th century. Contemporary history is politically dominated by the Cold War (1945–91) between the United States and Soviet Union whose effects were felt ...
